SPRING STUDY DAY SUCCESS

6.5
CERPS

A virtual event, for an audience of over 200 participants!
Heightened with audience connection through "Post a Selfie" competition.

ALCI offered an array of topics from talented Irish and International speakers covering themes, reflecting the blueprint laid out by IBCLC for certification and re-certification.

Keynote speaker Katrina Mitchell walked us through the updated Mastitis Spectrum Protocol (ABM, 2022) generating many participant questions. Later in the day Dr. Mitchell followed up with a fascinating presentation surrounding Breast Cancer and Breast Feeding.

Presentations on Communication, Sue Jameson, Medications, Dr. Fionnuala Cooney and Epilepsy Pauline McLoughlin and Breastfeeding Self-Efficacy, Liz McGovern intrigued the audience. While Dr. Anne Doolan captivated participants with the evidence surrounding breastfeeding and medical education at theoretical and practical level.
